Letters of Love 1 Peter

You are not forgotten

Chosen and destined by Father God

Set you apart

Gloriously sprinkled with his blood

Delightful grace and peace cascades over you many times over

Echo God's intense love for one another

Harmony with one another

Demonstrate affectionate love

This was such a good book we can't seem to put it down, so we ask God to do it again. C'mon Jesus we want more of your love cascading upon the children. More revelation of who you are. More boldness. More confidence. More lives are changing around us. You have extended an invitation of purity and holiness and we say yes and Amen. We want more of you. We want the children to see you face to face, we want to see you. On bended knee we come with an expectancy.

This month Kids' Club and The Messengers will come together on the 4th Wednesday. We will introduce the children with a Kingdom Encounter. It is our hope they will each encounter God in a spectacular way, emphasis on who they belong to, the key of Identity to open up their hearts and receive. They will also be asking Holy Spirit what He thinks of them and then declare that truth over themselves.
